# ICAHN 2019

International Conference on Animal Health Nutraceuticals

July 17-19, 2019 | UW-Stout Great Hall | Menomonie, WI

Join us for ICAHN 2019, a **FREE** two-day seminar exploring nutritional supplementation for companion animals and how emerging research in nutritional science will impact animal health and wellness in the years to come. This first-of-its-kind symposium is hosted by the University of Wisconsin-Stout and sponsored by a grant from Vets Plus, Inc.

ICAHN 2019 also marks the book release of *Nutraceuticals in Veterinary Medicine*, a comprehensive collection of scientific articles on the therapeutic use of nutritional compounds in animals.

**Where:** University of Wisconsin-Stout, Menomonie, WI

**When:** July 17-19, 2019

This program is submitted (but not yet approved) for **5 hours of Continuing Education credits** in jurisdictions that recognize RACE approval.

## Session Topics Include:

- Probiotics
- Joint Health
- Transferrin
- Cannabinoids
- Trends in Nutraceutical Research

## How to Register for ICAHN 2019
